

D/HH teens/kids Zoom chat

Meet other Deaf and Hard of Hearing kids and teens!

**Sunday
January 30
4-5 pm**

Vermont Hands & Voices is holding a Zoom chat for teens and older kids (9 and up) across Vermont. Come meet other kids who are D/deaf or hard of hearing, and who may share some of the same experiences that you've had.

This is a small, friendly group, and we'd love to meet you! We'll be talking about how things are going, and we'll play some games that work over Zoom! You can attend on your own, or with an older sibling or adult, whatever is most comfortable for you. We will have interpreters available, so please join us, however you communicate!

Hosted by Vermont Hands & Voices, to connect D/HH kids across Vermont. To get the Zoom link, send us a message at info@vthv.org or on Facebook at [vthandsandvoices](https://www.facebook.com/vthandsandvoices), and let us know your name, age, and communication preferences.
