

It's sugaring time with Vermont Hands & Voices!

Vermont Hands & Voices families are invited to gather together for free Sugar on Snow Tours! We will be outside and are excited to see our friends and families again after a long hiatus!

- See the sugar woods (some walking involved—dress for the mess!)
- Take a tour and learn about how sap is collected and boiled to become maple syrup.
- Taste some maple syrup or Sugar on Snow!

RSVP to Leslie Johnson

or 802-399-5092

so we know how many people are coming, and can look out for you! As with all VT Hands & Voices events, we will provide whatever communication access your kids (or you) need, so let us know your needs when you RSVP, so we can be ready! You can also let Leslie know if you need any other assistance in order to attend this event—**WE WANT YOU** to join us!

The Vermont chapter of Hands & Voices is working to build up a base of support here in the Green Mountains, so we can provide networking opportunities for families with DHH children, fun activities for children, educational opportunities for parents, and a collaborative, supportive community for everyone.
